

Model Release

Statement of Understanding & Agreement

Between _____ (photographer)

And _____ (model)

I am participating in this project called **The Human Form Project** on a Time for Photos (TFP) basis. This means that in return for the time I spend modelling, the photographer will give me edited photographs that are created during the photo shoot. No remuneration, other than TFP, is expected by me.

I understand that these photos will be taken of me in clothed, semi-nude and nude poses. The nature of these poses, and the process used to photograph them, has been explained and illustrated in the introductions given by the photographer at his website www.gioklik.com. I have read the information, and have asked questions I deemed pertinent during the face-to-face conversation held prior to the photo shoot.

If I post, publish or present the photos in some way, I agree to attribute the photographer's name (Giovanni Vidotto); to create a link to his website (www.gioklik.com); **and to not alter the photos in any way**. I may use the photographs for personal purposes such as inclusion in a portfolio, creation of a print, posting to social media, sharing with friends, etc.; but I may not sell or trade them for monetary gain, or use them for commercial purposes (without the photographer's permission).

I understand that I may not publish any photo to any medium without the photographers express permission. I understand and agree that the rights to the photographs, including copyright are the sole property of the photographer. I also understand that I may make prints for myself but may not create them for associates (friends, relations, etc.). Prints for associates will be done by the photographer for a fee.

I understand that the photographer will select what he believes to be the best photos for distribution to me. I also understand and agree that these photos will be used by the photographer for publication in various media including his web sites. For example, this may include publication in photographic journals, social media, gallery showings, photographic competitions, books and magazine publication, sale of prints, and other publication vehicles that the photographer may choose.

The photographer may use, reuse, publish and republish the photographs; combine the photographs with text; and edit the photographs with digital processing software. I release the photographer from any liability arising from any use of the photographs or any changes or modifications made to them.

I understand and agree that within three days I may block publication of the photographs created during the shoot by purchasing the ones that Giovanni Vidotto has selected for editing from the gallery of favourite photos. I agree to pay the fee of \$1000 for this service. Otherwise, I understand and agree that I may not block publication of any photos to any medium.

I understand that my first and last name will be kept confidential when posting to social media, unless I give permission. I also understand that any details of my participation during the photo shoot will be kept confidential.

I acknowledge that I am of full legal age (19 years) and have the right to contract in my own name. If I am 18 years old I understand that I can legally participate in The Human Form Project but that I cannot contract in my own name, and must have a parent or guardian co-sign the model release.

I have provided photo identification of my age. It may include my driver's license, my health services card, passport, birth certificate or other form of legal photo identification. I do not hold the photographer liable for any injury, physical, psychological or social incurred during the photo shoot.
